## **News Bulletin No.44**

## Newquay Primary Academy NEWS BULLETIN

## **HIGHLIGHTS**

We have loved welcoming everyone back after the Christmas break. It's been lovely hearing about what all the children got up to in the holidays. There were some fantastic pictures and stories shared with their friends in class and we can't wait to see what 2024 brings for all our pupils, friends and families.

And to kick off an exciting year, the academy was covered in snow this Thursday! The children in Joshua took full advantage and enjoyed exploring the snow at playtime, and there may even have been a few snowballs thrown as well!

OMING UP IN THE NEXT TWO	WEEKS
Joshua Class	Over the next few weeks Joshua class will be finding out about our solar system and asking questions like 'Why can I see the moon during the day?' Joshua class will be writing to our alien friend to tell him about what life is like on planet Earth.
TAMAR CLASS	Over the next two weeks, Tamar class will be exploring the life of dinosaurs in even more detail. They will be continuing with their design and technology project of creating a dinosaur puppet, welcoming in a local author to share her books, and learning all about the history behind Mary Anning. Tamar are also looking forward to welcoming in their parents for 'The Big Bang Workshop', whereby they will be creating paper-mache volcanoes with adult support. It is going to be totally roarsome!
SEVERN CLASS	Severn class have not 1 but 2 visitors in over the next couple of weeks! The first will be a drumming workshop with traditional African Djembe drums to accompany our African call and response music lessons. Secondly, we have a visit from the author Ellie Jackson, more details below.

Ellie Jackson will be coming to the school to talk about her book Duffy's Lucky Escape!' and to do some creative writing and illustration workshops with Tamar and Severn Class. The Newquay Towan Blystra Lions have kindly donated funding for this so every child will also receive a signed copy of one of Ellie's books free of charge.
