

## ~~Jurassic~~ Newquay Primary Academy Park

This week Joshua Class have discovered dinosaur footprints on the playground and a huge egg in the classroom. We have turned our role play area into a palaeontology lab and have been carefully trying to discover what is inside the egg. The children have taken it in turns to hammer and dust the egg and have already discovered two different dinosaurs.

We have measured the footprints and built traps to try and capture the visitor.

What a wonderful day Joshua Class had.....

The children had a fun day visiting Newquay Zoo and Newquay Trampoline Park.

The children loved exploring Newquay Zoo and counting all the different animals. They were particularly interested in the male and female peacocks. They loved the pelicans, tortoises, and cheeky monkeys. They even spotted the sloth waking up from his snooze.

At the trampoline park we worked as a team to save mermaids from the sand, built towers that were bigger than our friends and balanced on all the equipment. The children loved seeing who could bounce the highest and who could crack the egg first!

Ms Wilson was very proud of how kind, well-behaved and caring the children were.

### Year of the Tiger – Chinese New Year

Joshua class celebrated the Chinese New Year by making their own fortune cookies and Chinese dragons. They learned all about New Year celebrations and the traditions that Chinese people follow at this time of year.

### Marble Treat – Thursday 17<sup>th</sup> February

Once again, well done to Joshua Class! The marble jar is full and in celebration of all the children's achievements, they have decided to hold a phonics disco party. They can wear their favourite PJ's, dressing up costume or favourite outfit into school on this date. Teddies are invited too, and the children are welcome to bring in party hats and balloons. We would be very grateful if each child could bring in one treat for themselves to eat during snack time.
