Dear parent,

We are delighted to announce that we have secured for Naomi Jones to attend Newquay Primary Academy on Monday 20th March

Naomi Jones is a children's author who lives in Cornwall with her illustrator husband James Jones and their two boys. After working in publishing, she fulfilled her dream of becoming an author and has since created five children's books which cover themes of friendship, our environment, and creativity.

Naomi will be running a half day workshop with the pupils – speaking with our pupils about her journey into becoming an author, giving the children tips in writing their own stories and reading some of her stories.

Excitingly, we are also able to offer parents the chance of pre-order some of Naomi's books for your children. At the end of this letter, you will find more information on the books available including prices and an order form. If you are interested in purchasing a book, please complete the order form and return to the academy office by Wednesday 8th March. Payment of the book/s can be made via ParentPay and will need to be made by the 8th March also – instructions on how to do this are included below. Ordered books will then be delivered in time for the workshop on the 20th March.

If you have any queries, please contact a member of the academy team.

Yours sincerely,

Mr Craig Hayes
Executive Headteacher

How to Make a Story by Naomi Jones When Milo decides he's going to tell a story, it seems like a great idea. With a little help from his family, some real-life inspiration, and a lot of imagination, Milo's story is soon off to a flying start.	£7.99	
How to Catch a Rainbow by Naomi Jones Freya loves rainbows. She loves their bright colours and their curvy shape. More than anything, she wishes she has one of her very own. One that she can keep forever. So she decides to become a Rainbow Hunter!	£6.99	
The Odd Fish by Naomi Jones A warm and funny eco-adventure with a clever message about looking after our blue planet, perfect for budding David Attenboroughs! When Little Fish and her family encounter an odd new fish bobbing along on its own, they embark on an exciting journey to reunite it with its family.	£7.99	
One More Try by Naomi Jones Circle loves the tower that the squares and hexagons have built and wants to make his own. But circles, diamonds and triangles are pointier, rounder and much wobblier - making a tower is not as easy as it looks!	£7.99	
The Perfect Fit by Naomi Jones No matter how hard she tries, Triangle doesn't roll like the circles, or stack like the squares...so she sets off to find friends that look exactly like her	£6.99
