

On Monday we were excited to welcome the children back in the classroom after the Half Term break and loved hearing all the stories of their adventures and Halloween celebrations.

We would like to take this opportunity to thank parents again for their continued support, following on from the update letter that we sent all Parents before the half Term break. This letter explained a further delay in moving into the new school building, which is unfortunately out of our control. A copy of this letter can be found on our website and if you have any concerns or issues regarding this delay or any site issues, please contact a member of Newquay Primary Academy staff.

Last week we sent to parents an email communication consent form for completion. Thank you to those who have already returned their forms. Please can we ask that any outstanding ones are returned to the school office ASAP – Many Thanks

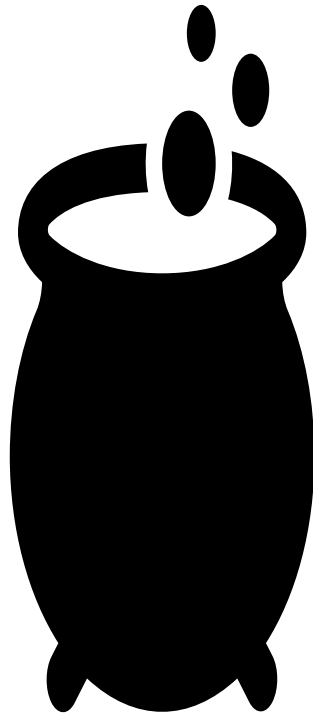

Please can we remind parents that Newquay Primary Academy is a Nut-Free Academy. Our **“Nut-Free Policy”** means that we request parents and carers do not include nuts, or any traces of nuts, in packed lunches or treats. We thank you for your continued co-operation with this policy and if you have any concerns, please contact the school office or a member of the academy’s staff.

Magic** Pot**ion** Making**

This week the children have been enjoyed magic potion making. We read **Room on the Broom** and the children were inspired to mix their own potions. Some children read the magic potions the witch left and had a go at adding the correct number of bats or bugs. All the children mixed their own pixie potion smashing herbs and adding tiny amounts of magic dust! We even discovered a giant potion outside that was green and bubbly! They made large brooms and small brooms and special magic wands.

We made magic wands and potions from recipe cards the witch had left in the classroom

We also learnt about Diwali and Fireworks night and what these celebrations mean.

Star of the Week

On the Friday before Half Term Freya was our **Star of the Week**. Freya is always seeking challenges and works her socks off! Well done Freya...

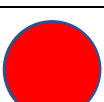

Thank you to those Parents who have activated their child’s ParentPay account. Not only are the lunches and wrap around care only bookable through this system, but also all school trips, fundraising etc will need to be booked via ParentPay. If you are having any issues setting up your child’s account, please mention it to Hannah or Tracey in the school office.

We are pleased to announce that our first Christmas nativity will take place on Wednesday 8th December at 5pm. This will take place at The Quay which is situated in Tretherras Secondary School. Look out for more information in our next newsletter.

Polite Reminder:

Please can we remind Parents/Carers to keep pupils close (preferably hold hands and not let pupils run ahead) when coming into school in the morning and leaving school at the end of the day, especially when entering the access road from the car park or back out from the school.

As the weather is quite unpredictable as we move more into Autumn, please could you ensure that your child has their coat with them each day as we would still like them to enjoy the outdoors.
