True or False?

$$80 \times 4 \quad \text{\textcircled{<}} \quad 40 \times 9$$

White Rose Maths

True or False?

True

$$80 \times 4 \quad < \quad 40 \times 9$$

8×4 is less than 4×9 so
80×4 is less than 40×9 as both
multiplications are 10 times the size.
