

HIGHLIGHTS FROM THE LAST TWO WEEKS...

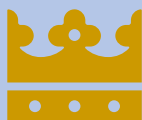

On Tuesday 17th May, Joshua class visited the Eden Project for a wonderful day of exploring. The children learnt about rainbows and how bees pollenate flowers. They played a game which involved them collecting fruit to make a beautiful rainbow, with wonderful colours. They also became bees to pollinate different flowers. They created rainbow collages in a special spiral garden, where the children were allowed to pick different flowers and plants to make a rainbow.

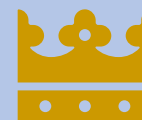

They explored the Mediterranean biome and the Rainforest biome - counting lizards and birds, while finding many varieties of plants and flowers.

Right Royal Jubilee Celebration

This week the children have been learning all about the Queen's Platinum Jubilee and discussed the importance of the Queen and her great achievements.

In their Discover & Do time, Joshua class made crowns, union jack flags and bunting ready for their jubilee party at the end of the week.

The children looked very patriotic dressed in their red, white, and blue outfits for their tea party, where they enjoyed a treat fit for the queen - scones, cream and strawberry jam.

Joshua Class also put on a Jubilee-inspired performance for their royal subjects aka their parents and siblings.

Coming up after half term.....

HAPPY THANK A TEACHER DAY

This week, we didn't just celebrate the Queen, we also celebrated the Queen of Newquay Primary Academy, Ms Wilson.

Thursday 26th May marked 'Thank A Teacher Day' and to show their appreciation to Ms Wilson, Joshua Class made a card with a poem and gave her a beautiful bunch of flowers.

Ms Wilson you are the best!

Message from Geoff Brown, Cornwall Education Learning Trust (CELT) Trustee and Chair of Board:

The past 2 years have been the most challenging in my life-time and on behalf of the Board I would like to say a huge THANK YOU to all our school professionals and wish you a great half term break.
