

NSPCC

Dear parent,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3 February 2023**.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every 25 seconds

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils will be allowed to wear non-uniform including an item of clothing with a number on it. This could be a football shirt, watch with numbers on, headband with a number on or even maths-themed face paint. The more creative the better - but as always, there is no expectation for parents to buy anything new.

To help raise money for the NSPCC, we are asking for donations, and we’d love everyone in the school to take part in this special event.

Safe fundraising

We’ve set up a Just Giving - https://www.justgiving.com/page/newquay-primary-academy-1674138210771?utm_source=copyLink&utm_medium=one_page&utm_content=page/newquay-primary-academy-1674138210771&utm_campaign=pfp-share&utm_term=39ce82d35f3145679c533f7574b3fc82

Please donate and share with friends so we can support the NSPCC.

It all adds up...

We’re really looking forward to all the fun of Number Day, and we really appreciate your support.

All the money we raise at Newquay Primary Academy will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Craig Hayes
Executive Head at Newquay Primary Academy
